

YOUR BEST DAY EVER

"Expert Guide / Excellent Crew / Superior Boats and Safety"

★★★★★ Reviewed 4 weeks ago

We have been to St Martin 4 times and of all the activities we've experienced this is, by far, the best. Captain Alan earns the title "captain". He runs a tight ship, knows the area, and knows where to take you for wonderful snorkeling and pretty spots. His staff are very attentive to the needs of the guests and it is a day you will not regret "spending" it with his Captain Alan's team.

"Amazing experience!"

Captain Alan and his crew were incredibly friendly and made the reservation and travel from our cruise port to his boat a breeze. We got blessed with perfect weather - and were skeptical that we'd actually see turtles but low and behold we got some awesome footage of our time with them. I'd do it all over again in a heart beat!! You won't be disappointed!
