

# ST. BARTHS

## NUDE OF COURSE !

Enjoy our exciting scenic boat ride to St. Barths. Once out of the bay "bikinis" can go off -> **YOO-HOO !!!**

A 35 minute ride will bring us to Ile Fourche, a calm nature preserve rock formation with crystal clear waters. Time for a drink and if you wish ...dip in and have some awesome snorkeling time.

The next stop is Gustavia the port-village with its nice shops, little streets and terraces, a MUST to explore. Sorry we will have to cover up before we dock.

12:30 we leave the harbor and yes -> **YOO HOO again !!!**

We will visit an awesome clothing optional beach where we treat you to a delicious lunch.

Our last stop is a great snorkeling place, dip in or have a great time on the boat.

Finally we will have a smoother ride with the prevailing wind and waves back to St. Maarten.

-> **US\$ 135 per person all in**

This rate includes also port/immigration fees
